In order to guarantee the correct and timely closing of the Income-Expense Accounts and the preparation of consolidated statements of the 2008 provincial-municipal budget, under Article 12 of the Financial Law and Provincial-Municipal Properties promulgated by Royal Kram CHS/RKM/0289/03 dated February 25, 1998 and Articles 32 & 33 of Prakas No. 203 of the Ministry of Economy and Finance dated March 18, 1999 defining that the provincial-municipal budget shall be under the general provisions of the Financial Law,

the Ministry of Economy and Finance wishes to instruct some technical procedures as follows:

1. All provincial-municipal governors who are principals shall try their best to improve fiscal income and collect non-fiscal revenue under their competence and then transfer this revenue to the provincial-municipal budget no later than December 31, 2008. If the transfer is late, the provincial-municipal treasuries will record those collected incomes in the provincial-municipal budget for 2009.
2. As for the proposal for the balance subvention, the financial groups of all municipal-provincial halls shall send the proposal to the Ministry of Economy and Finance no later than December 08, 2008.
3. As for the credit regularity related to requesting permission from the Ministry of Economy and Finance, all financial groups of provincial-municipal halls shall send the proposal to the Ministry of Economy and Finance no later than December 08, 2008.
4. For the regular and approved credit by Prakas of the Ministry of Economy and Finance, provinces/municipalities shall properly prepare documents on the implementation of procurement procedures for ensuring the timely implementation of the project.
5. Provincial-municipal treasuries shall stop receiving payment orders on December 31, 2008 at 5:30 pm. Therefore, the financial groups of provincial-municipal halls shall immediately collect invoices and judicial acts for the preparation of payment orders (both direct payment and advance payment), and then send them to financial controllers for approval and after that to provincial-municipal governors for signature to be submitted to the provincial-municipal treasuries no later than December 31, 2008 at 5:30 pm.
6. At the end of December 31, 2008, provincial-municipal treasuries shall transfer their provincial-municipal income-expense account balance into the result account of the accounting period. In case of excess, provincial-municipal treasuries shall immediately inform the provincial-municipal halls to make payment vouchers for the 2008 State budget. If they perform this task between the 1st and 15th of January, 2009, the payment shall also be dated December 31, 2008. However, if it is after January 15, 2009, provincial-municipal halls will not make any payment. Provincial-municipal treasuries will automatically transfer the payment into the State budget and later inform the provincial-municipal halls. The transfer date is also considered as of December 31, 2008.
7. The operation of the regularization of the treasuries for the 2008 provincial-municipal budget shall continue until January 31, 2009. This operation shall be controlled and monitored on December 31, 2008 related to the following:
 - The final record of income or expense controlled and numbered on December 31, 2007 shall be put into the temporary recording account.
 - The authorization of regularization related to expenses settled in advance before December 31, 2008.

- The modification of wrong numbers.
- 8. From January 1, 2009 onwards, all income-expense operations of provincial-municipal budget in the New Year shall be recorded in the 2009 provincial-municipal budget account.
- 9. From January 1, 2009 onwards, provincial-municipal treasuries and financial groups of the provincial-municipal halls shall make an income-expense consolidated statement for the enforcement of 2008 provincial-municipal budget by provincial-municipal treasuries. The treasuries shall create annual balance account sheets and financial groups of provincial-municipal halls shall create income-expense consolidated sheets of provincial-municipal budget following budget tabulation. Provincial-municipal halls shall then make reports to provincial-municipal governors for review and approval. Provincial-municipal governors shall send the annual accounting balance sheets, income-expense statements, and the reports to the Ministry of Interior (one copy) and the Ministry of Economy and Finance (two copies) by January 30, 2009. Therefore, the Local Financial Department of the Ministry of Economy and Finance shall consolidate and prepare a joint provincial-municipal financial statement and then put it into the Draft Law on State Budget Payment for 2008 Financial Management.

Provincial-municipal governors shall promote enforcement in order to enable the Ministry of Economy and Finance to consolidate and prepare a Draft Law on State Budget Payment for 2008 Financial Management to be submitted to the Council of Ministers for review and approval and then to the National Assembly and the Senate for debate and adoption on time.
