CAMBODIAN LAW BLOG

cambodianlaw.wordpress.com

BNG Legal believes expanding access to legal information is crucial to rule of law. To that end, several of our legal professionals write a blog discussing recent developments in the legal landscape.

LEGAL DATABASE

The laws and regulations in our database are based upon the Official Gazettes, law compendiums and other collections from the ministries and institutions of the Royal Government of Cambodia. These are available to the public through our partner site, www.bnglaw.net.

supporting and sponsoring the process of Sea Festival.

ENVIRONMENT

Decision No. 75 (RGC) dated 21 September 2015 on the Establishment of Inter-ministerial work group in charge of drafting environment code

The Royal Government of Cambodia (RGC), in consideration of environmental protection and sustainable development, has taken a step to establish a work group whose main objective is to draft the environmental code. As such, the work group shall collaborate with developing partners and international entities with the purpose of integrating legal instruments, technical and scientific information in to Cambodian environment code. With Minster of Environment as president, the work group composes of other high-ranking officials from relevant ministries. Beside its main mission, the work group shall also report periodically to (RGC) on the progress of drafting the environment code.

MINE, ENERGY & NATURAL RESOURCE

Sub-Decree No. 98 (RGC) dated 24 July 2015 on River Basin Management

The Royal Government of Cambodia has issued a sub-decree for the purpose of conserving, management and developing river basin in Cambodia. The river bank refers to the water system either on the ground or under the ground.

One of the most important provisions in this Sub-Decree is the determination of area around the river basin that will be considered as State Owner Land, which cannot, needless to say, be owned by private person. For example, considered to be State Owner Land, the areas as followings:

- 100 m from the sea water
- 50m from river bank
- 30m from stream bank etc.

However, the Sub-Decree mentioned that the distance will be determined by separated legal text for urban area. In addition, it should be noticed that the distances determined in the Sub-Decree, in its Article 8, do not have the retroactive effect.

REAL ESTATE

Notice No. 1402 (MLMUPC) dated 10 November 2015 on the Illegal Construction in Phnom Penh

As construction malfeasance on public park and side walk have invoked a huge reaction from the RGC, the Minister of Land Management, Urban Planning and Construction has issue a notice to Phnom Penh Municipality to take action with construction expansion which is in violation of a public sidewalk and encroaching on public land. In addition, the Municipality was instructed to broadly educate all the residents and company to respect the construction law. The ultimate goal is that the municipality shall take all the necessary measures in order to thwart improper construction practice in Phnom Penh.
